

Dear Parents:

CYAA Dragons Basketball is participating in an exciting fundraising program. Super Suppers has a community give back program where they will donate 3% of everything we spend. All you have to do is say (even when the season is over!) that you are with **CYAA Dragons Basketball** and we will get a check.

Do you need a convenient way to feed your family? Do you need help with your entertaining needs? Super Suppers can help! They are a meal assembly kitchen and can serve you in three different ways. First, you can assemble your meals based on a monthly menu, which you then take home to cook in your own kitchen. If you don't have time to assemble them yourself, you can call, email, or place an order online and they will do it for you. Lastly, you can go into the store and get something to Grab n' Go which are meals that have been prepared and already frozen. They also have appetizers, breakfast items, and desserts.

The meals come in 2 different sizes; a half pan which feeds 3 or a full pan which feeds 6. Some meals come with a side dish and some only have the entrée.

This is a great fundraising program because it is year round and you will really enjoy the food and the convenience. Remember to tell them you are with the **CYAA Dragons**. The program is only for the Collierville location.

Super Suppers is located on Poplar and Houston Levee in the same shopping center as Huey's and Three Dog Bakery. They are next to Comcast. Their phone number is 853 9173; the website where you can get more information and view the current menu is www.supersuppers.com. Once there, you can select the Collierville location.

Please call Cherylynn Wallace at 861 0121 if you have any questions. For specific questions on prices and hours, please contact the store at 853 - 9173.

Thank you.
